RULES	COMPLIANCE		SEE
	YES	NO	NARRATIVE SECTION
PART 1. GENERAL PROVISIONS			
R 400.4104 Rules compliance. Rule 104. Before being licensed as an institution, an original applicant shall comply with the rules for the type of institution the applicant proposes to operate and for which compliance can be achieved prior to beginning operation and shall demonstrate intent to comply with those rules for which compliance can only be demonstrated after the institution has become fully operational			
R 400.4105. Rule exemption. Rule 105.(1) Upon written request of an applicant or licensee, the department may grant an exemption from an administrative rule if there is clear and convincing evidence that the alternative to the rule complies with the intent of the administrative rule from which exemption is sought			
(2) The decision of the department, including the qualification under which the exemption is granted, shall be entered upon the records of the department and a signed copy shall be sent to the applicant or licensee. This exemption may remain in effect for as long as the licensee continues to comply with the intent of the rule or may be time limited			
R 400.4106 Original licensure; application. Rule 106. An applicant applying for an original license shall provide all of the following: (a) Evidence of need for the type of program the institution proposes to provide ... (b) Evidence of sufficient financial resources to meet applicable licensing rules following the issuance of the initial license			
(c) A plan of financial accounting developed in accordance with generally accepted accounting practices			
R 400.4108 Financing and audit. Rule 108. A licensee shall do both of the following: (a) Annually develop a plan of financing to carry out the institution's programs to assure that proper care of residents is provided and that licensing rules are followed. The budget shall include projected income and expenditures			
(b) Obtain an audit of all financial accounts. Audits for nongovernmental institutions shall be conducted annually by an independent certified public accountant who is not administratively related to the agency			
R 400.4109 Program statement. Rule 109.(1) An institution shall have a current written program statement which specifically addresses all of the following: (a) The types of children to be admitted for care			
(b) The services provided to residents and parents directly by the institution and the services provided by outside resources			
(c) Policies and procedures pertaining to admission, care, and discharge of residents			
(2) The program statement shall be made available to residents, parents, and referral sources			
R 400.4111 Job description. Rule 111. There shall be a job description for each staff position which identifies duties, required qualifications, and lines of authority			

RULES	COMPLIANCE		SEE NARRATIVE SECTION
	YES	NO	
R 400.4112 Staff qualifications. Rule 112. A person with ongoing duties shall be of good moral character, emotionally stable, and of sufficient health, ability, experience, and education to perform the duties assigned			
R 400.4113 Employee records. Rule 113. Employee records shall be maintained for each employee and shall include all of the following information: (a) Name			
(b) Verification of education where minimum education requirements are specified by rule			
(c) Work history			
(d) Three references which are obtained prior to employment from persons unrelated to the employee			
(e) A record of any convictions other than minor traffic violations			
(f) A written evaluation of the employee's performance within a probationary period			
(g) Verification of health where specified by rule			
R 400.4114 Tuberculosis screening for employees and volunteers. Rule 114. The licensee shall document that each employee and volunteer who has contact with residents 4 or more hours per week for more than 2 consecutive weeks is free from communicable tuberculosis. Freedom from communicable tuberculosis shall be verified within the 3-year period before employment and shall be verified every 3 years after the last verification			
R 400.4116 Employees; qualifications. Rule 116. An employee who is in a position and who was approved under the rules that these rules supersede is deemed to be qualified for that position at the institution. A person appointed to a position after these rules become effective shall meet the qualifications of these rules for that position			
R 400.4117 Chief administrator; qualifications. Rule 117. A chief administrator, at the time of appointment, shall possess 1 of the following: (a) A master's degree in social work, sociology, psychology, guidance and counseling, education, business administration, criminal justice, or public administration and 2 years of experience in a child caring institution or child placing agency			
(b) A bachelor's degree with a major in social work, sociology, psychology, criminal justice, guidance and counseling, education, business administration, or public administration and 4 years of post-bachelor's degree experience in a child caring institution or child placing agency			
R 400.4118 Social service supervisor; qualifications. Rule 118. A social service supervisor, at the time of appointment to the position, shall possess 1 of the following: (a) A master's degree in social work and 1 year of experience as a social service worker			
(b) A master's degree in sociology, psychology, criminal justice, or guidance and counseling and 2 years of experience as a social service worker			
(c) A bachelor's degree in sociology, psychology, social work, criminal justice, or guidance and counseling and 4 years of experience as a social service worker in a child care organization. Two years of the 4 years of experience shall be in a child caring institution.			
R 400.4119 Social service worker; qualifications. Rule 119. A social service worker, at the time of appointment to the position, shall possess a bachelor's degree with a major in criminal justice, sociology, psychology, social work, or guidance and counseling			
R 400.4120 Supervisor of direct care workers; qualifications. Rule 120. A supervisor of direct care workers shall have 1 of the following: (a) A bachelor's degree and 2 years of work experience in a child caring institution			
(b) Two years of college and 3 years of work experience in a child caring institution			
(c) A high school diploma and 4 years of work experience in a child caring institution			

RULES	COMPLIANCE		SEE NARRATIVE SECTION
	YES	NO	
R 400.4121 Direct care worker; qualifications. Rule 121. A direct care worker shall have completed high school			
R 400.4126 Sufficiency of staff. Rule 126.(1) The licensee shall have a sufficient number of administrative, supervisory, social service, direct care, and other staff to perform the prescribed functions required by these administrative rules and to provide for the needs, protection, and supervision of residents			
(2) One direct care worker shall be responsible for not more than 10 residents at one time during residents' normal awake hours and not more than 20 residents at one time during residents' normal sleeping hours			
R 400.4127 Staff-to-resident ratio. Rule 127.(1) The licensee shall develop and adhere to a written staff-to-resident ratio formula for direct care workers			
(2) The ratio formula for direct care workers shall correspond with the institution's purpose and the needs of the residents and shall assure the continual safety, protection, and direct care and supervision of residents			
(3) The ratio formula used shall not be less than the number of workers required by R 400.4126(2)			
R 400.4128 Initial staff orientation and ongoing staff training. Rule 128.(1) The licensee shall provide an orientation program for new employees. The orientation shall include the following:			
(a) The institution's purpose, policies, and procedures, including discipline, crisis intervention techniques, and emergency and safety procedures			
(b) The role of the staff members as related to service delivery and protection of the children			
(2) There shall be a written plan of ongoing staff training related to individual job functions and the institution's program			
(3) The licensee shall document that each direct care worker participated in a minimum of 50 clock hours of planned training within the first year of employment and a minimum of 25 clock hours of training annually thereafter			
(4) Training opportunities shall include all the following:			
(a) Developmental needs of children			
(b) Child management techniques			
(c) Basic group dynamics			
(d) Appropriate discipline, crisis intervention, and child handling techniques			
(e) The direct care worker's and the social service worker's roles in the institution			
(f) Interpersonal communication			
(g) Proper and safe methods and techniques of restraint			
(h) First aid			
R 400.4130 Privacy and confidentiality. ns. Rule 130.(1) An institution shall assure resident and parent privacy and confidentiality and shall protect residents from exploitation			
(2) Resident's identity may be disclosed for public purposes or publicity only after both of the following criteria are met:			
(a) The parent has consented			
(b) The resident has consented if the resident is capable of consent			
R 400.4131 Compliance with child protection law; development of plan required. Rule 131. The licensee shall develop and implement a written plan to assure compliance with the provisions of Act No. 238 of the Public Acts of 1975, as amended, being §722.621 et seq. of the Michigan Compiled Laws, and known as the child protection law			
R 400.4132 Grievance procedures. Rule 132. An institution shall develop and follow written procedures for redressing concerns, disagreements, complaints, and grievances of parents and residents			

RULES	COMPLIANCE		SEE NARRATIVE SECTION
	YES	NO	
R 400.4133 Institutional care for children under 6 years of age. Rule 133. A child under 6 years of age shall not remain in an institution for more than 30 days, unless this stay is documented to be in the best interest of the child.....			
R 400.4134 Case record maintenance. Rule 134.(1) A case record shall be maintained for each resident..... (2) Service plans and narrative entries shall be dated and shall identify the individual making the entries (3) Records shall be maintained in a uniform and organized manner, shall be protected against destruction and damage, and shall be stored in a manner that safeguards confidentiality			
R 400.4137 Discipline and behavior management. Rule 137.(1) An institution shall establish and follow written policies and procedures regarding discipline and behavior management. Upon request, these shall be available to all residents, their families, and referring agencies. Staff shall receive a copy of these policies and procedures and shall comply with them..... (2) An institution shall prohibit all cruel and severe discipline, including any of the following: (a) Any type of severe physical discipline inflicted in any manner (b) Group discipline for misbehavior of individuals, except in accordance with the institution's discipline policy (c) Verbal abuse, ridicule, or humiliation (d) Denial of any essential program services (e) Withholding of any meal (f) Denial of visits or communications with family (g) Denial of opportunity for at least 8 hours of sleep in a 24-hour period (h) Denial of shelter, clothing, or essential personal needs (i) Excessive chemical, mechanical, or physical restraint (3) Residents shall not be permitted to discipline other residents, except as part of an organized therapeutic self-governing program that is conducted in accordance with written policy and is supervised directly by designated staff.....			
R 400.4138 Religious policy and practices. Rule 138.(1) Each resident shall not be prohibited from participating in religious activities and services in accordance with the resident's own faith and parental direction (2) An institution shall establish and follow written policies for religious participation and training of residents. The institution shall provide the policy to parents and referral sources upon request.....			
R 400.4141 Initial documentation. Rule 141. Upon admission, all of the following shall be in the resident's case record: (a) Name, address, birthdate, sex, race, height, weight, hair color, eye color, identifying marks, religious preference, and school status (b) A brief description of the resident's preparation for placement and general physical and emotional state at the time of admission (c) Name, address, and marital status of parents and name and address of legal guardian, if known (d) Date of admission and legal status (e) Documentation of legal right to provide care (f) Authorization to provide medical, dental, and surgical care and treatment as provided in section 14a(1), (2), and (3) of Act No. 116 of the Public Acts of 1973, as amended, being §722.124a(1), (2), and (3) of the Michigan Compiled Laws (g) A brief description of the circumstances leading to the need for care			
R 400.4142 Resident and parent visitation. Rule 142. An institution shall make provisions for visits between each resident and the resident's parents, except where parental rights have been terminated or the resident's record contains documentation that visitation is detrimental to the resident			

RULES	COMPLIANCE		SEE NARRATIVE SECTION
	YES	NO	
R 400.4143 Written procedures for institution's serving developmentally disabled. Rule 143. An institution providing care to developmentally disabled residents shall require direct care workers to follow written procedures for bathing, feeding, toilet training, and daily activities of residents			
R 400.4144 Education. Rule 144.(1) An institution shall not admit a child for care unless an appropriate educational program can be provided			
(2) Provision shall be made for an appropriate education program in accordance with Act No. 451 of the Public Acts of 1976, as amended, being §380.1 et seq. of the Michigan Compiled Laws, and known as the school code of 1976, not later than 5 school days after admission and continuously thereafter for each resident of school age			
R 400.4145 Mail. Rule 145. Residents shall be permitted to send and receive mail. Residents' letters shall not be read by staff, except where there is clear and convincing evidence to justify such actions. If a letter requires staff reading, the resident shall be present when the letter is opened. Packages are exempted from the prohibition against inspection			
R 400.4146 Personal possessions and money. Rule 146.(1) Provision shall be made to safeguard residents' personal possessions and money			
(2) A resident's possession and money held by the licensee shall be accurately accounted for and returned to the resident or guardian upon discharge			
(3) Accessible storage space shall be provided for personal possessions			
R 400.4147 Clothing. Rule 147. Each resident shall have sufficient clean, properly fitting, seasonal clothing			
R 400.4148 Resident work experience. Rule 148. Work experiences for a resident shall be appropriate to the age, health, and abilities of the resident			
R 400.4150 Behavior management rooms; department approval required. Rule 150.(1) Prior to establishing a behavior management room, an institution shall have written approval from the department licensing authority			
(2) A behavior management room established and approved after the effective date of these rules shall be equipped with a 2-way monitoring device. The device shall be on and monitored by an employee when a resident is in the room			
(3) A behavior management room shall be constructed and located so as to allow for both visual and auditory supervision of a resident			
(4) The room shall be constructed and equipped so as to minimize suicide risk. Break-resistant glass and security screening shall be provided. The room shall have adequate lighting			
(5) The dimensions of the room shall not be less than 48 square feet for those behavior management rooms constructed after the effective date of these rules			
(6) In a secure facility, when a resident is confined to a room other than at normal sleeping times, the confining of the resident shall only be for behavior management purposes			
R 400.4152 Behavior management rooms; policies and procedures. Rule 152. An institution approved to use a behavior management room shall establish and follow written policies and procedures specifying its use. The policy shall include, at a minimum, all of the following provisions:			
(a) The room may only be used if a resident is out of control and is in danger of harming himself or herself or others			
(b) The room shall be used only for the time needed to change the behavior compelling its use			
(c) Not more than 1 resident shall be placed in a room at one time			
(d) Staff shall observe the resident at intervals of 15 minutes or less and shall record the observation in a behavior management log			
(e) The log shall include all of the following information:			
(i) The name of the resident			

RULES	COMPLIANCE		SEE NARRATIVE SECTION
	YES	NO	
(ii) Time of each placement			
(iii) Name of staff person responsible for placement			
(iv) Description of specific behavior requiring use of the room			
(v) Time of each removal from the room			
(f) For each instance in which a resident remains in the room for more than 2 hours, the log shall also contain hourly supervisory approval and the reasons for continued use			
(g) When the behavior management room is used for more than 3 hours, there shall be administrative review above the level of the supervisor who approved the extended use. This review shall be completed and documented within 48 hours			
R 400.4160 Health services; policies and procedures.			
Rule 160. An institution shall establish and follow written health service policies and procedures addressing all of the following:			
(a) Routine and emergency medical and dental care			
(b) Health screening procedures			
(c) Maintenance of health records			
(d) Storage of medications			
(e) Dispensing medication			
(f) Personnel authorized to dispense medications			
R 400.4161 Medical treatment; supervision.			
Rule 161. Medical treatment shall be under the supervision of a licensed physician .			
R 400.4163 Periodic physical examinations.			
Rule 163. An institution shall provide and document periodic physical examinations for each resident as follows, unless greater frequency is medically indicated:			
(a) Every 3 months for residents under 1 year of age			
(b) Once a year for residents over 1 year of age and under 6 years of age			
(c) Once every 2 years for residents 6 years of age and over			
R 400.4167 Reporting hospitalization or death of a resident.			
Rule 167.(1) Any serious injury or illness requiring hospitalization of a resident shall be reported to the parent and responsible referring agency as soon as possible, but not more than 24 hours later			
(2) The death of a resident shall be reported immediately to the parents or next of kin, the licensing authority, and the referring agency			
R 400.4168 Personal hygiene.			
Rule 168. An institution shall assure that each resident maintains or receives personal care, hygiene, and grooming appropriate to the resident's age, sex, race, cultural background, and health needs			
R 400.4169 Resident nutrition.			
Rule 169.(1) A licensee shall provide a minimum of 3 nutritious meals daily unless medically contraindicated and documented			
(2) Meals shall meet the nutritional allowances recommended in the publication entitled, "Basic Nutrition Facts," pages 28-29, Michigan department of public health publication no. H-808. This publication may be obtained without charge from Nutrition Services, Michigan Department of Public Health, P.O. Box 30035, Lansing, Michigan 48909			
(3) Special diets shall be prescribed only by a physician. A resident who has been prescribed a special diet by a physician shall be provided such a diet			
(4) Menus shall be written prior to the serving of the meal. Any change or substitution shall be noted and considered as part of the original menu			
R 400.4170 Emergency and disaster procedures.			
Rule 170. An institution shall establish and follow written procedures for potential emergencies and disasters, including fire, severe weather, medical emergencies, and missing persons			
R 400.4172 Inspection and approval of institution.			
Rule 172. An institution, including new construction, additions, and conversions, shall be occupied by residents only after inspection and approval by the licensing authority			
R 400.4173 Plans and specifications.			

RULES	COMPLIANCE		SEE NARRATIVE SECTION
	YES	NO	
Rule 173.(1) Plans and specifications shall be submitted to the licensing authority for review and approval prior to any remodeling in an institution or the construction or conversion of a structure for use as an institution			
(2) The plans shall comply with all of the following provisions:			
(a) Show layout, room arrangements, construction materials to be used, and the location, size, and type of fixed equipment			
(b) For additions, show those portions, including existing exits, types of construction, and room occupancies, which may be affected by the addition			
(c) Be approved in writing by the licensing authority, fire inspecting authority, and the health inspecting authority before construction begins			
(d) The plans for open institutions for not more than 6 residents need not be developed by an architect			
R 400.4175 Space and equipment requirements.			
Rule 175. An institution shall provide sufficient resident living space, office space, and equipment to assure delivery of licensed services			
R 400.4176 Recreational activities, equipment, and supplies, swimming restriction.			
Rule 176.(1) Residents shall be provided a variety of indoor and outdoor recreational activities designed to meet the residents' needs			
(2) Appropriate recreation supplies and equipment shall be provided			
(3) Swimming shall be permitted only where and when a qualified lifeguard is on duty .			
R 400.4177 Sleeping rooms.			
Rule 177.(1) In new and converted institutions, single sleeping rooms shall not be less than 70 square feet, exclusive of closet space			
(2) In new and converted institutions, multiresident sleeping rooms shall not be less than 45 square feet per resident, exclusive of closet space			
(3) Residents of the opposite sex over 5 years of age shall not sleep in the same sleeping room			
(4) In new or converted secure institutions, locked resident sleeping rooms shall be equipped with a 2-way monitoring device			
R 400.4178 Bedding and linen.			
Rule 178.(1) Each resident shall be provided with an individual bed with a clean mattress and sufficient clean blankets			
(2) Each resident shall be provided with clean sheets and a pillow case at least weekly and more often if soiled			
R 400.4181 Driver license.			
Rule 181. The driver of any vehicle transporting residents at the request of or on behalf of the licensee shall be an adult and possess a valid operator or chauffeur license with endorsement appropriate to the vehicle driven and the circumstances of its use			
R 400.4182 Seat occupancy.			
Rule 182. Each resident transported shall occupy a manufacturer's designated seat ..			
R 400.4183 Safety belts.			
Rule 183. In a vehicle which is required by law to be equipped with passenger safety belts, the driver and all passengers shall be properly restrained while the vehicle is in motion			
PART 2. SHORT-TERM INSTITUTIONS			
R 400.4201 Applicability.			
Rule 201. The rules in this part apply to all short-term institutions unless specifically noted otherwise			
R 400.4231 Residential care after 48 hours.			
Rule 231. A short-term institution shall continue to provide care for a resident beyond 48 hours only after establishing that the institution is an appropriate placement for the resident			
R 400.4232 Admission physical examination.			
Rule 232. A short-term institution shall have documentation of an admission physical examination for each resident as follows, unless greater frequency is medically indicated			

RULES	COMPLIANCE		SEE NARRATIVE SECTION
	YES	NO	
(a) For a resident under 3 years of age, a physical examination shall have been completed within 3 months prior to admission or a new physical examination shall be completed within 7 days after admission			
(b) For a resident 3 years of age and over, a physical examination shall have been completed within 1 year prior to admission or a new physical examination shall be completed within 7 days after admission			
R 400.4234 Preliminary service plan. Rule 234. A brief plan shall be developed within 7 calendar days of admission for each resident. The plan shall include both of the following: (a) An assessment of the resident's immediate and specific needs			
(b) The specific services to be provided by the institution and other resources to meet the needs			
R 400.4237 Resident Assessment. Rule 237.(1) A written resident assessment shall be completed 30 days after admission and every 15 days thereafter. The assessment shall include all of the following: (a) The reasons for continued care			
(b) Plans for other placement			
(c) Barriers to other placement and plans to eliminate the barriers			
(2) Copies of the plan shall be maintained at the institution			
R 400.4238 Discharge plan. Rule 238.(1) When a resident is discharged, all of the following shall be documented: (a) The reason for discharge			
(b) New location of the child			
(c) A brief summary or other documentation of medical and dental services provided while in residence			
(d) The name and official title of the person to whom the resident was released			
(2) For an unplanned discharge, there shall be a brief summary or other documentation of the circumstances surrounding the discharge			
PART 3. RESIDENTIAL TREATMENT INSTITUTIONS			
R 400.4302 Applicability. Rule 302. The rules in this part apply to all residential treatment child caring institutions unless specifically noted otherwise			
R 400.4331 Admission of child. Rule 331. A child shall be admitted only after establishing that the institution is an appropriate placement to meet the child's needs			
R 400.4332 Admission physical examination. Rule 332.(1) An institution shall have documentation of an admission physical examination for each resident as follows, unless greater frequency is medically indicated: (a) For a resident under 1 year of age, a physical examination shall have been completed within 3 months prior to admission or a new physical examination shall be completed within 30 days after admission			
(b) For a resident 1 year of age or over, a physical examination shall have been completed within 1 year prior to admission or a new physical examination completed within 30 days after admission			
(2) Sufficient health history information shall be documented for each resident to assure proper medical care			
R 400.4334 Immunizations. Rule 334.(1) A resident shall have current immunization as required by the department of public health			
(2) If documentation of immunization is unavailable, immunizations shall begin within 30 days of admission, unless a statement from a physician indicating that immunizations are contraindicated is included in the resident's record			
(3) A statement from a physician, referring agency, parent, or guardian indicating immunizations are current is sufficient documentation of immunizations			

RULES	COMPLIANCE		SEE NARRATIVE SECTION
	YES	NO	
R 400.4335 Dental Care. Rule 335. A licensee shall arrange for the provision of and shall document dental examination and treatment for each resident 3 years of age and older. A dental examination within 12 months prior to admission shall be documented or there shall be an examination not later than 3 months following admission. Reexamination shall be provided at least annually			
R 400.4336 Initial service plan. Rule 336.(1) An initial service plan shall be completed by the social service worker for each resident within 30 days of admission			
(2) The initial service plan shall be developed with the resident, the resident's parents, and the referral source, unless documented as inappropriate			
(3) The initial service plan for each resident and family shall comply with all of the following provisions:			
(a) Assess the resident's and family's strengths and weaknesses in the areas of education, economics, psychology, society, and health, as these relate to the resident's needs			
(b) Identify plans for parent and child visitation			
(c) Specify treatment goals to remedy the problems of the resident and family and time frames for achieving the goals			
(d) Identify indicators of goal achievement			
(e) Specify the persons responsible for coordinating and implementing the resident and family treatment goals			
(f) Specify staff techniques for achieving the resident's treatment			
(g) Specify the projected length of stay and next placement			
R 400.4337 Updated service plan. Rule 337.(1) An updated service plan shall be completed and recorded by the social services worker for each resident at least once every 3 months following the initial service plan			
(2) The updated service plan shall be developed with the resident, the resident's parents, and the referral source, unless documented as inappropriate			
(3) The updated service plan shall include the following information:			
(a) Progress made toward achieving the goals established in the previous service plan			
(b) Any changes in the service plan, including new problems and new goals to remedy the problems. Indicators of goals and time frames for achievement shall be specified			
R 400.4338. Content of discharge services plan. Rule 338. When a resident is discharged from institutional care, all of the following information shall be documented in the case record within 14 days after discharge:			
(a) The reason for discharge and the new location of the child			
(b) An assessment of the resident's needs which remain to be met			
(c) A statement that the discharge plan recommendations have been reviewed with the resident and parent			
(d) The name and official title of the person to whom the resident was discharged ..			
PART 4. ENVIRONMENTAL HEALTH AND SAFETY			
R 400.4401 to R 400.4431 Environmental Health and Safety.			
PART 5. FIRE SAFETY FOR SMALL, LARGE, AND SECURE FACILITIES			
R 400.4501 to R 400.4568 Fire Safety for Small, Large, and Secure Facilities.
